

Integrate Work, Play, Learning And Growth.

What can I do to assure:

that my work is fun?

that the people I work with can teach me as they learn from me?

that we have a mutual responsibility to work hard while enjoying the process and learning from each other so that we can enrich each other's lives?

that I gain the cooperation and support of my significant others in the process?

What do I need to do to accomplish this? How do I do this?

Who should I include?

What are the specific steps that I will commit to do?

When I am going to do this?

Now I will enter Each One of these action items into
My Accountability Project Manager
and DO “It”!

Work, Play, Learning And Growth Can Happen “bUt”
“It”
doesn’t happen by accident.
