

Operate From My Mission, My Passion, My WannaWanna Manifesto!

What do I truly WannaWanna do?

What don't I WannaWanna do?

What is ok but not really?

What can I do to stack the odds in my favor?

Now that I know the answers, what will I commit to do?

With whom?

Where?

When?

I need to commit myself to following my own instructions and add this to my accountability project manager.

Now I will enter Each One of these action items into My Accountability Project Manager and **DO "It"!**

This Is Your Essential WannaWanna!
